

Invitation to submit a binding offer of Generators in the framework of Caritas Austria's humanitarian aid activities in Ukraine

**Project 2209142 Generators for Ukraine**

Quotation deadline 02.12.2022 / 12:00 Central European Time

The request for quotation will be published from 25<sup>th</sup> November 2022 until 02<sup>nd</sup> December 2022.

The contract will be awarded in accordance with the best bidder principle – best price quality relation, the fastest delivery time and issued based on the financially most favorable bid.

Details of the quotation:

- Mobile emergency power generators, which are available for immediate delivery.
- Capacity of the units: staggered from 10 kVa and upwards.
- Diesel, Gasoline, Solar, Hybrid

We request you after clarification of the availabilities to send your final and binding offer by e-mail until Friday, 02.12.2022, 12:00 Central European Time at the latest.

Supplementary product information:

Items must meet all technical and legal EU standards.

Incoterms: EXW

Available: Immediately

Payment:

30 days net, no downstream conditions, billing directly to Caritas Austria - billing address will be provided with the order.

Additional information:

Due to the humanitarian emergency, the items must be available as soon as possible. For this reason, we ask for your understanding for the necessity of short deadlines.

Notice:

Since this order is being carried out as part of an emergency humanitarian aid, the following regulation BGBl. Nr. 787/1992 idgF (concerns value added tax) applies:

According to the Ordinance BGBl. No. 787/1992 as amended, supplies of relief items by companies for consideration and free of charge within the framework of national and international aid programs are to be treated as non-taxable transactions.
